DETAILED ACTION

Reissue Applications

Claims 1-6 are under consideration in this application.

Specification

This application does not contain an abstract of the disclosure as required by 37 CFR 1.72(b). An abstract on a separate sheet is required.

The Certificate of Correction changes have not been incorporated into the application.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1-4 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Applicants recite the variables Q and Q¹ in the claims. Yet the variables Q and Q¹ do not appear in the structures of formula (I) and R³.

Note *United Carbon Co. V. Binney Smith Co.*, 55 USPQ 381, Supreme Court of the United States (1942), “an invention must be capable of accurate definition, and it must be accurately defined to be patentable”, above at page 386.

One must clearly know what is being claimed.

The C.C.P.A. in 1978 held “that invention is the subject matter defined by the claims submitted by the applicant. We have consistently held that no applicant should have limitations

Art Unit: 1625

of the specification read into a claim where no express statement of the limitation is included in the claim": In re Priest, 199 USPQ 11, at 15.

Information Disclosure Statement

Applicants have not supplied a PTO-1449 listing all the references cited in the patent.

Allowable Subject Matter

Claims 5 and 6 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Claim 1 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Claims 2-4 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.
